Sage's Update

© Fraternal Composite Service, Inc

Martin Prendergast

With Monmouth University suspending Greek Life in wake of the incidents that occurred during the 2017-2018 academic year; the Executive Board and the rest of the brothers have been working with the school and national office to come to a resolution. This has hindered the chapters ability in recruitment and all other non-academic functions. One area Delta-Beta has grown in this semester has been our GPA with brothers working very hard to improve personal and overall GPA's. We are extremely excited about the potential of the newly elected Executive Counsel and have no doubt they will guide the chapter and allow it to continue to thrive.

DELTA-BETA CHAPTER

Convocation was very eventful for Delta-Beta Chapter. The Chapter was a Grand Chapter Award winner for being ranked in the Top 25 chapters across North America during the 2016-2018 biennium. Also, our own Joe Palazzolo was elected to serve as the 47th Grand Sage of Sigma Pi Fraternity, International. We'd like to give a huge congratulations to Joe and we appreciate all the work he does on a day-in-day-out basis. The example you set is the true standard of a Sigma Pi man.
